STAFF & STUDENTS:

- Registration is now open for winter and spring sports! Click on the Family ID link on the CMS webpage to sign up.
- Attention all 8th grade web leaders: There is a mandatory meeting this Wednesday during lunch in Mr. Pearl's classroom. Grab your lunch and come on down!!
- Attention students who ride buses: We have had kids running up to the buses at the last minute and banging on the doors to be let on. This is extremely unsafe and it stops the flow of buses. This is a safety concern. From now on, when bus drivers shut their doors and start to depart they will not be stopping to let students on. Please load the bus in a timely manner before it's time to depart. We don't want any students left behind or hurt. Thank you for doing your part to stay safe and keep our buses on schedule.
- Several students are using unattended crosswalks on Webster Ave. and running into the street where the buses exit the parking lot. We need all students to use the main crosswalk, that is attended by crossing guards, when crossing the street on Webster. This is a safety issue and we have had some close calls with near accidents. We are asking all students and parents to please encourage students to use the main crosswalk when crossing the street before and after school. Thank you.

The following students have received a Pirate Patch!
